

# WHAT IS THE EGO?

INFORMATION  
REGARDING THE EGO  
PROGRAMMED MIND  
AKA  
(EDGING GOD OUT)

The EGO represents everything love is not. The EGO is programmed to only focus on, lower consciousness realities and thoughts. It sees everything as negative. This can be seen by humanity's deep embodiment of shame, guilt, fear, unworthiness, and lack of self-love.

The EGO looks at any situation and finds what is "wrong" with it. rather than seeing everything as a miracle and lesson or blessing, as love does.

Because humanity is still living in the EGO programming, they can only project and see that negative in everyone and everything around them but they cannot see that they themselves are the problems. That is the ultimate flip.

The EGO can never be satisfied or fulfilled. It seeks external things to fill the hole that can never be healed until it looks at itself and acknowledges all the ways in which it is self-sabotaging through delusion, avoidance and projection.

The EGO is a black hole that sucks the life force from the being, and inturn, the being needs to take energy from others around them in order to sustain.

One of the biggest ways in which the EGO tries to fill itself is through food and sleep. This is why there are so many who can eat endless amounts of food but be hungry, at sleep many hours per night and still be tired.

The EGO Is a parasite that sucks with out any ending.

Humanity has no self-sustaining Source connection because they are still in the illusion of separation from God and from the Oneness energies. The biggest addiction on this planet is to energy.

This was the product of the EGO program constantly needing to steal energy from others in order to continue to survive. This is done through control dramas and trying to manipulate and power-over others.

The EGO feels entitled to things' especially the energy of others. The EGO believes it deserves something from everyone. This is the flip that keeps humanity in lack consciousness and unwilling to give to others.

In true reality, everything is an equal energy exchange. Universal law states that when you give, you receive. When one is living in the heart, in love, it gives freely out of love and receives abundance in return.

The EGO expects others to do the work, and feels that they have "done enough" or "its not my problem". That is the disease of separation. The EGO is cut off from feeling so it has no awareness of what is going on around them, which is the opposite of love who has full feeling and consciousness in all moments.

The EGO always needs to know things, as it has no trust or faith. It is always asking the same questions when it already has the answers because it wants proof.

True love trusts in God and the divine plan and has full faith that they will be taken care of.
